## INDUSTRY Experience

Over three and half decades, we are engaged in manufacturing and supplying a comprehensive range of Sanitary Fittings and Pumps

## Our Infrastructure

We have set up a state-of-the-art infrastructure at the suburbs of Mumbai (Maharashtra, India). It is segmented into manufacturing unit, quality testing lab, administration wing and warehousing unit in order to carry out our business activities in an organized & systematic manner. Further, we have installed high-end equipment, machines and other technological aides in our manufacturing unit. The entire machinery is handled by our skilled and experienced technicians & engineers. Moreover, we ensure to upgrade these machines from time to time in order maintain the productivity level of our products.

## Product Portfolio

We have set up a state-of-the-art infrastructure at the suburbs of Mumbai (Maharashtra, India). It is segmented into manufacturing unit, quality testing lab, administration wing and warehousing unit in order to carry out our business activities in an organized & systematic manner. Further, we have installed high-end equipment, machines and other technological aides in our manufacturing unit. The entire machinery is handled by our skilled and experienced technicians & engineers. Moreover, we ensure to upgrade these machines from time to time in order maintain the productivity level of our products.

Salient features of our products are:

- Durability
- Low maintenance
- Longer functional life
- Easy Installation
- Corrosion resistance
- Reliable operation
- Sturdy construction
- Excellent performance
- Optimum functionality

## About Our Company

Established in the year 1974, we, 'Shree Ganesh Metal Works', are reckoned among prominent manufacturers and suppliers of Sanitary Fittings and Pumps. Our clients can obtain highly efficient array of products that are appreciated for their exceptional features and unique characteristics. These products are widely used as bathroom fittings in commercial, residential and industrial sectors. Furthermore, we specialize in manufacturing these products as per the details mentioned by our clients. We make use of high quality raw material, which is sourced from reputed market vendors to manufacture the entire range

With the support of our dedicated team members, we have been able to deliver these products within the agreed time-line at the clients' destination. Further, we are able to store a bulk and urgent orders in our voluminous warehousing unit, which is equipped with requisite facilities. Our production unit is installed with advanced and sophisticated machinery, which facilitates smooth & flawless production of these products.

## Ware Housing & Packaging

### CAST IRON SANITARYWARE BRACKETS

#### MS FULLY ADJUSTABLE CHAIR BRACKET

MS Powder Coated fully Adjustable chair Brackets Having Square Tube L Type Brackets 2 Nos MS Connecting Rods 2 Nos & 1 pair Plated Nut Bolts Easy to Concealed in wall & Easily Maintain Centre of W.C and fixing Easily.

#### REGULAR CHAIR BRACKET CP BOLT

Adjustable Cascade Chair Bracket Easy to installation & easy to fixing maintain W.C. centre easily Chair Bracket given in Two Hole's installation & maintain the standard Height wall hung W.C. Suitable for all branded cascade & constellation models having standard Connecting with Studs commode hung with M.S & S.S Nut Bolts and also Available extra long Bolts .

#### CAST IRON ' L' TYPE WASH BASIN BRACKETS

' L' Shaped Bracket For wash basin of all marks with a provision of hole Ideal for screw Fittings which avoids unnecessary work available in different size - 6" To 12"

#### CAST IRON CASCADE CANTILEVER CONCEALED BRACKETS

M.S 12 mm Stud with M.S Washer's and nut 150 mm Long. Easily installation in Wall & Easily fixing W.C

#### CAST IRON ADJUSTABLE CHAIR BRACKETS

Adjustable Cascade Chair Bracket Easy to installation & easy to fixing maintain W.C. centre easily Chair Bracket given in Two Hole's installation & maintain the standard Height wall hung W.C. Suitable for all branded cascade & constellation models having standard Connecting with Studs commode hung with M.S & S.S Nut Bolts and also Available extra long Bolts .

#### ADJUSTABLE CHAIR BRACKET HEAVY M.S BOLT & S.S BOLT

Adjustable Cascade Chair Bracket Easy to installation & easy to fixing maintain W.C. centre easily Chair Bracket given in Two Hole's installation & maintain the standard Height wall hung W.C. Suitable for all branded cascade & constellation models having standard Connecting with Studs commode hung with M.S & S.S Nut Bolts and also Available extra long Bolts .

#### ADJUSTABLE CHAIR BRACKET EXTRA HEAVY S.S STUD & S.S BOLT (SUPER)

Adjustable Cascade Chair Bracket Easy to installation & easy to fixing maintain W.C. centre easily Chair Bracket given in Two Hole's installation & maintain the standard Height wall hung W.C. Suitable for all branded cascade & constellation models having standard Connecting with Studs commode hung with M.S & S.S Nut Bolts and also.

### CAST IRON SANITARYWARE BRACKETS

#### **BOWL BASINE BRACKET**

This is a stainless steel mounting bracket designed for Heavy ceramic wash basins or bowls with tap hole is Adjustable for Length

#### **M.S PATTI BRACKET**

The M.S. Patti Bracket Most Of Use In Corner Wash Basin & Urinals Most Demanding Product In Hardware Merchants.

#### **S.S PATTI BRACKET**

The S.S. Patti Bracket Most Of Use In Corner Wash Basin & Urinals Most Demanding Product In Hardware Merchants

#### **DISPLAY PATTI BRACKET**

These are metal keyhole mounting plates, typically used Display for Wall Mounting W.C.

#### **S.S.BOLT HEAVY CASCADE CANTILEVER BRACKET**

This is Blue - painted Cascade Cantilever Brackets is a heavy - duty structural support component designed for wall hung W.C Made From High quality cast iron metal Accessories -Bush ,SS Washer, SS Nut & High quality SS Bolt Didrect Mould in Casting This Product is is Heavy Duty & Premium quality.

#### **CAST IRON CANTILEVER BRACKETS FOR ULTRA W.C**

Generalised Concealed Cantilever Bracket For Wallvit Pans bracket Divided in Two Parts Right & Left Sir Chair bracket Replacement with Cantilever Bracket Available With Brass C.P.Bolt Suitable For Hindware Ultra wall Hung

#### **CAST IRON OVAL BASIN BRACKETS**

Bracket Designed For Good Support With Adjustable Curve Shape Plate Fitted With Quality Fastener Bracket For Below Counter Oval shaped wash basin with Flexibility to adjust Height & Width

#### **CAST IRON UNIRAL BRACKETS**

These products are available with two side holder chapla & one central waste pipe holder brackets for hanging large urinal & Half Stall Urinals

### RACK BOLT / BOLT FITTING

#### EXTENSION BOLT G.I

G.I. Extension Bolt Basically use for chair bracket bolt Extend available is threading size 12 MM & 1/2"

#### EXTENSION BOLT S.S

S.S. Extension Bolt Basically use for chair bracket bolt Extend available is threading size 12 MM Available with Nut & Washer

#### 12 MM S.S RACK BOLT

This is use in ellenkey Wall hung toilet - conceald Use Material - Use High quality S.S Rod Rack bolts with Raval plug nut washer & show cap Available in Size - 7.5" & 8.5"

#### 16 MM S.S RACK BOLT HY SG

16 MM SS Rack Bolt Made from high quality SS Rod SS Screw Type Rack Bolt is Highly demanding product in market Use in after tileing & Marbeling Available size - 6.5" 7.5" 9.0" 12"

#### SMALL CHAPLA

These compact Designed For Corner wash Basins & Also Use In Small Urinals & Corner Wash Basins material use Cast Iron ,Given two holes for Screw instolation with green paint coating

### RACK BOLT / BOLT FITTING

#### BRASS CP BOLTS

CP Brass Bolts Suitable For Ultra Regular Chair Bracket and Cantilever Bracket

#### MS BOLT FOR CHAIR BRACKET

12 MM Nut Bolts Used in Chair Bracket For Hanging W.C.  
12MM X 150MM Long Nut Bolt Fitted In Chair Bracket To Hung W.C.

## Products

### RACK BOLT / BOLT FITTING

#### IC FITTING KOHLER EXTRA LONG

Elenkey Fitting Set Specialty Desing For Kohler Make W.C.  
The I.C. Fitting Kit is a mechanical assembly component typically used in elenkey W.C  
The kit includes precision-molded polymer bushes with integrated bearings, lock pins, and an Allen key for easy installation.

#### IC FITTING FLOWER SET

Elenkey Fitting Set Specialty Desing For Roca Make W.C.  
The I.C. Fitting Kit is a mechanical assembly component typically used in elenkey W.C like Roca Kohler jaquer ETC  
The kit includes precision-molded polymer bushes with integrated bearings, lock pins, and an Allen key for easy installation.

#### IC FITTING WITH RACK BOLT SET

The I.C. Fitting Kit is a mechanical assembly component typically used in elenkey W.C like Roca Kohler jaquer ETC  
Features :- Lightweight yet strong construction  
Corrosion-resistant materials  
Easy assembly and disassembly  
Suitable for medium-load applications

#### Y TYPE BIDET BOLT

Y type SS Bidet Bolt Made from SS Rod  
Specially Design For Plumbing Enginner's  
Y type Bidet bolt fixed before tileing

#### 10 MM M.S (GI) WASH BASIN BOLT

This is a basic wall mounting kit for ceramic ware Wash basin  
This is a simpler version of a sanitary fixing kit

#### 10 MM S.S WASH BASIN BOLT

This is a basic wall mounting kit for ceramic ware Wash basin made in stain less steel material

#### IC FITTING (ELLENKEY SET)

The I.C. Fitting Kit is a mechanical assembly component typically used in elenkey W.C like Roca Kohler jaquer ETC  
The kit includes precision-molded polymer bushes with integrated bearings, lock pins, and an Allen key for easy installation.  
Made of durable plastic, these flanged bushings feature embedded bearings to allow smooth and controlled rotation within mounting structures.
